How does CAP Tulsa help?
We combine high-quality early childhood education with supports that promote nurturing parenting and family financial stability.

Early Childhood Education
- 11 schools
- 440 teachers
- 16 parent educators
- 2,321 children served

1,065 additional children served by OECP partners

Engaged Families
- 1,850 families served
- 571 parents enrolled in CareerAdvance®, ESL classes, and Learning@Home

CAP Tulsa’s promise: We believe every child and every family deserves the same opportunity for success.

More than 1 in 3 children under the age of 5 lives in poverty in Tulsa County.

CAP Tulsa is working to ensure that these children reach their full developmental potential by the end of third grade.

A 2016 Georgetown University study found:
Enduring positive effects for CAP Tulsa children enrolled in the program in 2005 persisted through middle school compared to children not enrolled at CAP Tulsa. The study found that CAP Tulsa participants:

• Scored significantly higher on the state math achievement test in middle school
• Demonstrated significantly lower rates of grade retention
• Were significantly less likely to be chronically absent

What success looks like

Child Success
Ensure children receive high-quality education and care services from birth through third grade

“Jasmine learned a lot at CAP Tulsa. Her motor skills were advanced and she breezed through pre-k and kindergarten.”
— CAP Tulsa Alumni Family

Family Success
Partner with families to create a nurturing and secure environment for their children

“My son’s future is going to be so much brighter. He saw how hard I worked in school—it sparked an interest in his life that ‘if mommy can do it, I can do it.’ I am so thrilled and excited to see what the future has in store for us.”
— Keilula, CAP Tulsa parent and CareerAdvance® Graduate

Community Success
Work collectively with other organizations to improve the broader system

“Union Public Schools and CAP Tulsa are united in the belief that early childhood programs are effective in improving educational outcomes for children. We come together as community to ensure our children get the best start possible, as early as possible. Union values our partnership with CAP Tulsa in being a difference-maker for children and families in the Tulsa community.”
— Kirt Hartzler, Ed.D., Superintendent, Union Public Schools

Organizational Success
Optimize process management and resource stewardship while providing a great place to work

“When you come to CAP Tulsa, it’s not just going to work, it feels like coming home. You really get to know the people you work with and they become your family, and you get to put your heart and soul into your work and it is always recognized. That’s what I really love about CAP Tulsa.”
— CAP Tulsa Employee
